# Vicious Battleaxe

*Weapon (Battleaxe), Rare*

**Effects:** Rolling a natural 20 to hit adds +7 slashing damage.

**Damage:** 1d8 slashing

**Weight:** 4 lbs.

**Properties:** Versatile (1d10)

This Battleaxe is made of darkly blued steel that gives off a faint magical aura, with a dark, wooden haft wrapped in black leather. Each swing with this weapon causes a whistling ring as it slices through the air. If the wielder is able to score a perfect hit on the razor edge of this weapon, there is almost nothing it can't cleave through.
