

Special Item 3: Wizard's Scroll

Wizard's Scroll

Scroll, Uncommon

Spells: False Life, Hideous Laughter, Mage Armor, Detect Magic

Magical scrolls are imbued with one or more spells that have been inscribed into the parchment (or other suitable material) using magical runes and mystical writings. To inscribe a scroll, one must have all the material components required for the casting. These are consumed when the scroll is inscribed. This mystical scroll has been inscribed with four spells. These may be cast only once from the scroll before disappearing forever.
